At Moto-Trek we use the most up to date technology and CAD systems to design our motorhomes. Our highly trained designers and engineers can tailor design a vehicle to suit your requirements.

WHEELCHAIR ACCESSIBLE MOTORHOME

Our motorhomes provide the ability for you to travel hassle free. Moto-Trek have the knowledge and skill to be able to create specialised vehicles to suit your needs. We understand the independence and freedom a motorhome, like ours, can offer to you and your family.

We can offer various options across the Moto-Trek range. Please contact us directly to discuss your individual specification. Some of our most common features are: wheelchair cassette lift, wide access doors, wetrooms, automatic transmission, track hoist for ceiling, scooter and wheelchair compatible garages harness points, hand control systems, lowered worktops.

MOTORSPORT RANGE

We also produce a specialised range of motorsport trailers and vehicles ideal for all forms of motorsport.

Our unique and stylish transporters vary from specialist trailers which can incorporate luxury overnight living accommodation, from the compact Tornado Transporter to luxury coachbuilt vehicles up to 26000KG.

Custom Car Transporter
