

We offer all our customers the option to purchase Collision damage waiver cost is £10 a day.

This is across all our Motorhomes. Excess on the vehicle is **£1500**

Collision Damage Waiver (CDW) - is not insurance, but an agreement to waive the Excess charged by our insurance should the rental vehicle be involved in a RTA or Collision with another vehicle.

If you opt to pay **CDW** you **must** inform the business of the RTA or collision **immediately** if not then the CDW will become **Void**

We will also require all the details of the RTA/Collision including Date/time and any other vehicle details including Name and Contact Details and also Photos or a Video of the Damage

CDW **can only be used once** in the duration of the hire if the vehicle is in a second RTA or Collision this **will not** be covered and damage repair costs will be claimed from our insurance you will be charged the excess.

There are a number of parts of the Motorhome which are not covered see below
