MERCEDES-BENZ

3500KG

9 SPEED AUTOMATIC GEARBOX

The Choice of Champions

ECLIPSE - MERCEDES-BENZ 3500KG HORSEBOX

Compact and easy to drive horsebox which can be driven by anyone with a standard car licence

The Eclipse is built on a brand new and unregistered Mercedes-Benz chassis, powered by a CDI powerful diesel engine, which complies with the latest Euro 6 standards and gives effortless performance and outstanding economy.

This is further enhanced by the 9 speed fully automatic gearbox, giving a very smooth ride for both horses and passengers, thereby reducing stress levels on arrival at a competition. It also incorporates a hill start assist function.

The body is made from composite panels for long, low maintenance life.

The Eclipse has the added benefit of a tack/changing room that is totally separate from the horses. This incorporates two saddle racks, two bridle racks and two coat hooks. There is also additional storage over the cab.

Images shown includes Excel Pack

ADVANTAGES OF MERCEDES-BENZ

SAFETY

- Rear axle stabiliser
- Electronically adjustable mirror
- Wide angle exterior mirror
- Headlamp range adjuster
- Crash tested cab

COMFORT

This brochure does not constitute an offer by Equi-Trek Limited. Some of the images shown in this brochure may show optional extras not included as standard. It is the policy of Equi-Trek Limited to seek to continually improve our vehicles in every way and so whilst every effort has been made to ensure the details set out in this brochure were correct at the time of going to press, we are unable to guarantee that no changes in specification have subsequently taken place. We therefore reserve the right to alter the specifications and price at any time without notice. Each vehicle is designed to optimise the horse carrying, seating and sleeping capabilities with a variety of potential configurations for our customers. It is the responsibility of the customer to select the proper combinations of loads and dimensions without exceeding the individual axle or gross weights of the vehicle. All unladen weights are quoted excluding the spare wheel, which is 30kg. Equi-Trek™ is a registered trademark of Equi-Trek Limited.
