## Compact and easy to drive, 3500kg horsebox with living accommodation

A compact, easy to drive horsebox, with a gross maximum weight of 3500kg, meaning it can be driven by anyone with a standard car licence.

The Equinox is powered by a powerful HDI diesel engine which complies with the latest Euro 6 standards and gives effortless performance and outstanding economy.

The Equinox has the added benefit of a separate living area, which can sleep up to 2 people. Including a kitchen area with a combination gas hob and sink and cupboard space.

Images shown include Excel Pack

## ADVANTAGES OF PEUGEOT

All of our vehicles are built on brand new unregistered Peugeot chassis' powered by the latest HDI diesel engine, which have been chosen for their superior performance and reliability.

Our vehicles also conform to the latest Euro 6 antipollution standards.

These super smooth, powerful engines, together with six speed gearbox, are extremely economical.

### Safety

- Fully European type approved seatbelts
- Driver seatbelt alert
- Driver airbag
- Open door detection
- Ventilated front disk brakes, Anti-lock Breaking System (ABS), Emergency Brake Assist (EBA) and Electronic Brakeforce Distribution (EBD)

### Steering

- Variable power steering which is linked to vehicle speed, accounting for lighter steering during low speed manoeuvres and firmer steering at high speeds

### Comfort

- Height adjustable seats with lumbar support
- Electric windows
- Double courtesy light
- On board trip computer
- FM/DAB Digital Radio including USB/AUX input
- Bluetooth®

### Exterior

- Electrically adjustable dual glass wing mirrors
- Heated wing mirrors
- Halogen headlights
- Daytime Running Lights

### Security

- Remote central locking
- Deadlocks on doors
- Transponder electronic immobiliser system

### Servicing & Warranty

- Service every 24,000 miles or 2 years
- UK 3 years / 100,000 miles warranty
- EU 2 years / unlimited mileage warranty

This brochure does not constitute an offer by Equi-Trek Limited. Some of the images shown in this brochure may show optional extras not included as standard. It is the policy of Equi-Trek Limited to seek to continually improve our vehicles in every way and so whilst every effort has been made to ensure the details set out in this brochure were correct at the time of going to press, we are unable to guarantee that no changes in specification have subsequently taken place. We therefore reserve the right to alter the specifications and these prices at any time without notice. Each vehicle is designed to optimise the horse carrying, seating and sleeping capabilities with a variety of potential configurations for our customers. It is the responsibility of the customer to select the proper combinations of loads and dimensions without exceeding the individual axle or gross weights of the vehicle. All unladen weights are quoted excluding the spare wheel, which is 30kg. Equi-Trek™ is a registered trademark of Equi-Trek Limited.
